OBJECTIVE

Web Designer

EDUCATION

University of Florida (UF): Gainesville, FL (In pursuit of degree)
Attempting B.S. in Computer Science. Current GPA: 3.05/4.0

Santa Fe Community College (SFCC): Gainesville, FL: (2006-08)
A.A. in Engineering. Final GPA: 2.86/4.0

EMPLOYMENT

DK International Associates Inc. Ft. Lauderdale, FL

Engineering & Contract Manufacturing: (Jun-Aug, 2007)

Hired as an intern setting up an accounting and inventory database. Worked in shop on assembly line, manufacturing seatbelt harnesses (used by US Army vehicles), LED light fixtures, and Zendrives (guitar distortion pedals). Began apprenticeship in electrical engineering (soldered components to LED and Zendrive circuit boards, used circuit analysis theory to design and assemble artistic light fixtures). Handled I.T. tasks such as establishing and securing networks and configuring workstations with appropriate hardware/software.

General Web Smith: (2004-Present)

Coded and designed several websites. Visit www.Jiminikiz.com for portfolio (click on the **Websites** link from the navigation menu).

Briarpatch Restaurant, Winter Park, FL: (Feb-Dec, 2005)

Began as a host, then served tables. Earned a food handler's license and was line and head cook. Became part time manager with cashier duties.

PERSONAL

Awards

- ❖ Bright Futures Scholarship: (2004-Present)
- ❖ SFCC Student Ambassador: (2007)
- ❖ SFCC Academic Senator for Mathematics: (2007)

Special Skills

Deep understanding of Java, XHTML, CSS, and PHP. Skilled with multitudes of software (Microsoft Excel, Word, & PowerPoint; AutoDesk AutoCAD; MATLAB; MathCAD; Adobe Photoshop, Illustrator, Flash, Fireworks, Dreamweaver). Minor hardware repair skills (soldering, circuit analysis), experience with entry-level network troubleshooting.

Interests

Technology, cars, renewable energy resources, paintball, shooting pool, martial arts, swimming, biking, music, web development.
