Outline

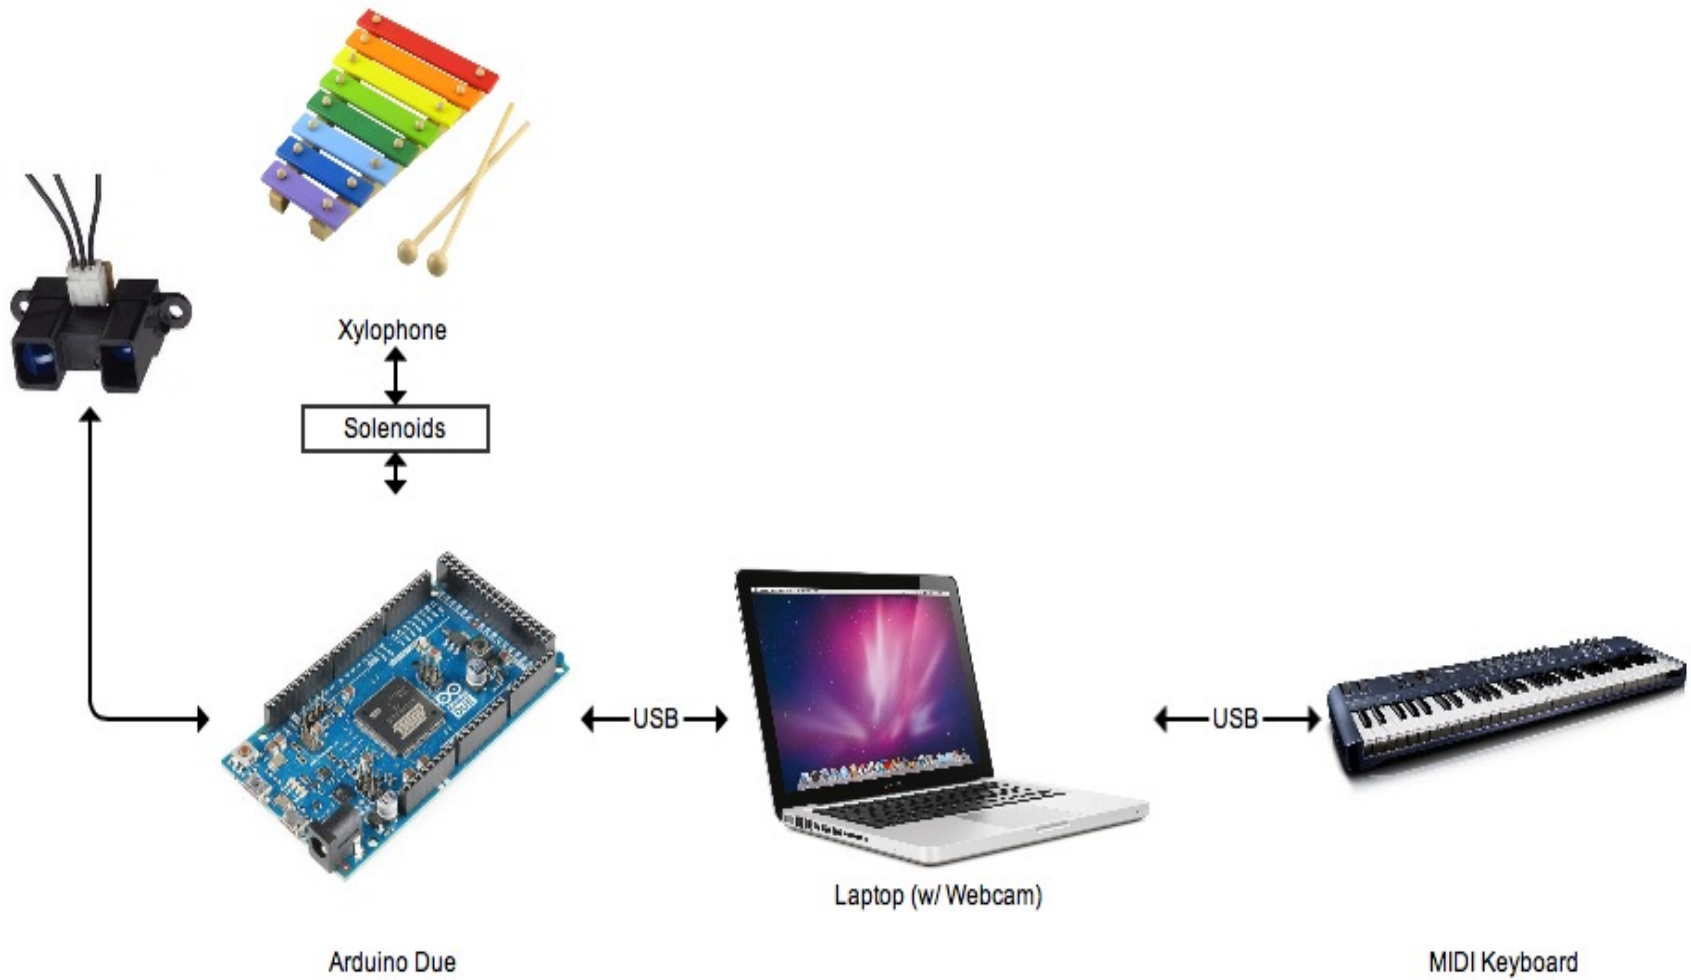

- Motivation
- System
- Electrical
- Software
- Current Progress
- Future Work

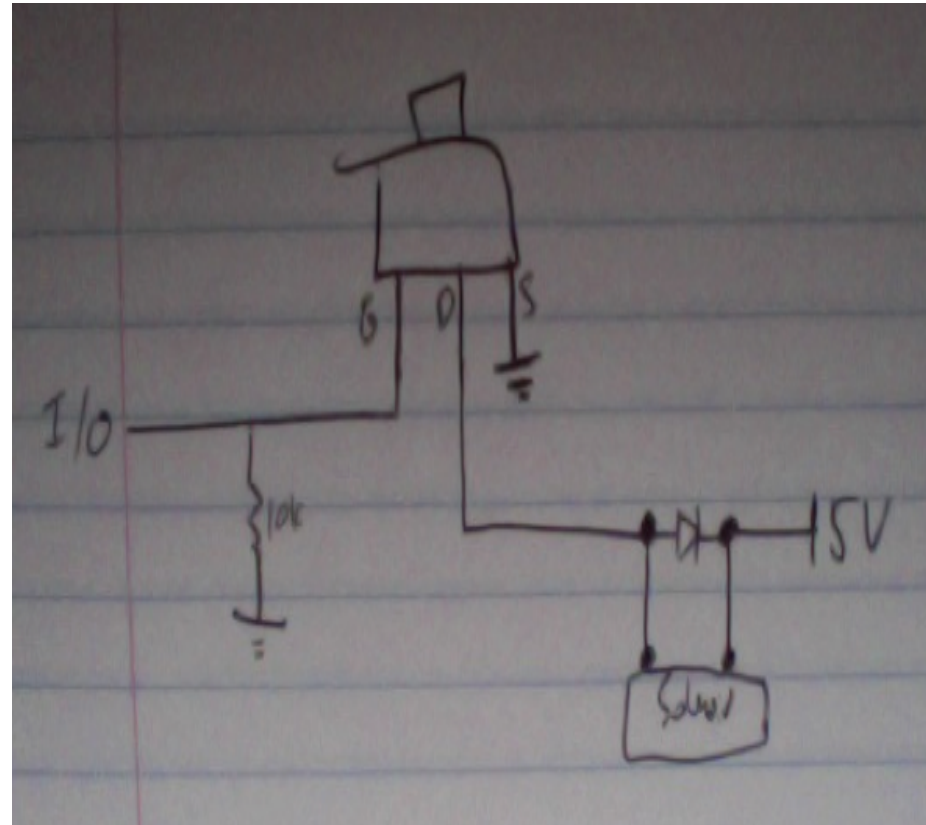

Motivation

- Good harmonies are hard to find.
- The sound of science.
- Fun, fun, fun.

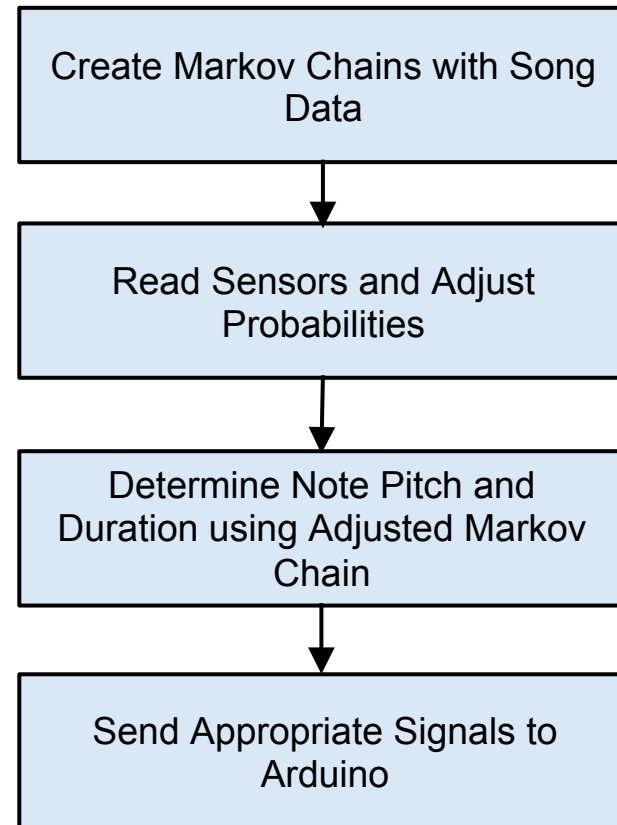

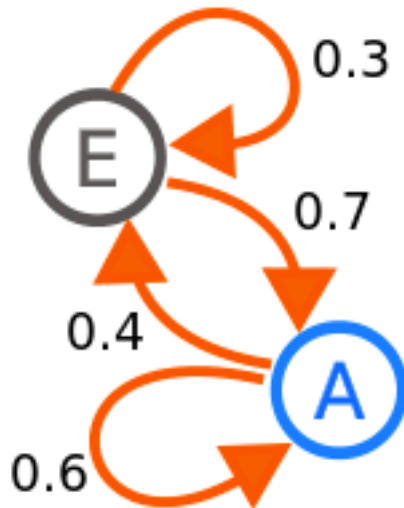

System

Electrical

Software

Current Progress

- Solenoid Circuits Built
- Serial Communication Working
- OpenCV Variant Working
- MIDI Keyboard Input working

Future Work

Future work includes:

- Creating platform.
- Finishing communication and sensor software.
- Finishing electrical work.
- Completing system.
- Developing AI model.
