What Matters Most...

Horseback Riding

I've been riding for as long as I can remember. Horses were always the biggest part of my life, growing up. Twelve-hundred pound animals taught me character, a sense of competition, patience and how to love animals.

My Horse, Brandy

Everything I need to know, I learned from my horse. Brandy taught me Western Pleasure, Showmanship and so much more.

What Horses Have Done for Me

- *A Lifelong Hobby and Love*
- *Career Choice*

Riding Pacman

*...Who I Was, Who I Am,
and Who I Want to Be...*

*"For the wonderful brain of man, however mighty its force,
had never achieved its plans without the aid of the horse."*
