

# Khayla Johnson

Broward Hall • Gainesville, FL., 32612 • Khayla@ufl.edu • (352) 250-2498

## OBJECTIVE

---

Seeking an internship that will both challenge and enhance my skills as I become a Health Educator

## EDUCATION

---

Bachelors of Science in Health Education May 2009  
University of Florida, Gainesville FL  
Specialization in Community Health Education

## EXPERIENCE

---

Graduate Hall Director, August 2008-Present

Broward Hall, University of Florida, Department of Housing, Gainesville, FL

- Building Supervisor of one of the largest Residence Halls on campus, capacity of 700
- Manage any crisis that is out of the Resident Assistant's expectations or capabilities
- Responsible for Judicial Hearings for residents that break any Housing or UF student code of conduct standards.

Resident Assistant, August 2006-May2008

Jennings Hall, University of Florida, Department of Housing, Gainesville, FL

- Was responsible for, and lived with, 75 girls, most in their first year of college.
- Trained in crisis management including suicide and victim assault
- Experienced in planning, publicizing, and implementing programs of the educational and entertaining nature
- Organized building wide programs in collaboration with such organizations as Hillel and Salsa Caliente, UF's salsa dance class
- Awarded the Community Development award every semester for the close relationships that I was able to foster on my floor.

## LEADERSHIP

---

Ways and Means Officer, Tau Beta Sigma National Honorary Band Sorority 2006-2007

University of Florida

- In charge of fund-raising for entire sorority, 50 members
- Ordered Stadium Bags for entire 300+ members of Gator Band
- Arranged Gator Band Alumni BBQ lunch for 200 people
- Worked with companies in organizing fund-raisers

Volunteer, Gainesville Humane Society, October 2007-Present

Gainesville, Florida

- Help to exercise and care for 20+ dogs, clean living areas and help develop domestication amongst the 60+ cats

Volunteer, Shands Hospital, Arts in Medicine Program, 2008

Gainesville, Florida

- Help patients make arts and crafts on the transplant floor. Crafts include collaging, dream catchers, and stuffed animals that are then sent to children in Africa.

## ADDITIONAL

---

- References upon request
- I love arts, crafts and creativity, so I try to work that into everything that I do
- I enjoy playing the oboe for the University of Florida Concert Band
