

“Can You Dig It?”

Explore rocks, gems, fossils and earth
at the
Florida Museum of Natural History

March 27, 5:00 – 9:00 p.m.

Discover the science behind your favorite Florida Museum exhibits with earth science experts! Visit all event activities and displays to win a prize!

Activities Include:

- Kid’s gem mine
- Make and view your own earthquake
- Gem and flint cutting demonstrations
- Volcanic eruptions
- Mineral and gem displays
- Rocks and fossil identification
- And much more!

Fun for all ages! Free admission!
